PATIENTS LEGAL NAME	DATE OF BIRTH	PATIENT PHONE	Insurance Pre-Cert/Auth #
PHYSICIAN OFFICES Tests cannot be performed without listing the signs/symptoms and/or reason(s) for each test ordered along with the ICD-10 code. Physicians should only order tests that are medically necessary for diagnosis or treatment of the patient, not for screening purposes. Ordering physician is responsible for obtaining insurance approval when required by insurance.			
<i>Your office will be contacted prior to test being performed if this form is not complete.</i>
